

Under Title IX

WHAT IF I SHARE MY STORY?

of sexual assault (SA), dating violence (DV) or stalking (S)
that I experienced during my time at HSU with . . .

FYI: You will not get in trouble for violating university alcohol or other drug policies if it was involved within the incident of SA, DV, S.

Campus Advocate Team (CAT)
(707) 445-2881

Wait, who is this?

Our Campus Advocate Team (CAT) is made up of counselors from the North Coast Rape Crisis Team

CAT is NOT required to report to anyone. Everything you share with them will remain **confidential**.

CAT can support you in a variety of ways. They can help you explore your options. They offer free confidential **support** and **one-on-one counseling**. They can assist you in securing campus accommodations. As well as provide advocacy and accompaniment during the investigative process if you choose to report.

An HSU Faculty, Coach, Or Staff Memeber

By law, HSU staff/faculty are mandated to report information to the Title IX office.

HSU Student Employee

If you tell a student within their role as an HSU employee they must report it to their staff supervisor

Their supervisor is then required to report to the Title IX Office

University Police (UPD)
(707) 826-5555

Anonymous Report

No police investigation will happen. UPD won't know your identity and the perpetrator will not be notified that a report was filed. Anonymous reports exist to collect data that can increase awareness of the # of incidents of harm that occur on campus.

Full Report

Once a police report has been filed UPD will determine the investigation based on the circumstances and extent to which you are interested in participating. Our campus advocate team is there if you would like support throughout this process or have Q's.

A Therapist at C.A.P.S
(707) 826-3236

Information you share with CAPS will remain confidential *

*Confidentiality may be limited in certain situations; your therapist will inform you of these limits.

CAPs offers one-on-one counseling services and on campus survivor groups.

A Health Center Staff Member
(707) 826-3146

Health Center Staff will contact our Campus Advocate Team who will meet with you to support resources and options.

Health Center staff are not mandated TIX reporters but are mandated to report to law enforcement if they are treating an injury related to an assault. When this happens, our advocate team can help you assert your right to talk or not talk to the police, depending on what you choose.

Title IX Office
(707) 826-5177

When a Title IX office recieves a report they will contact you to provide you with options for support and acomodations as well as possibilities for holding accountable the person who harmed you.

You can choose whether or not you talk to them and whether or not you file an official complaint.

They can assist you in recieving campus acomodations such as: Changing classes or moving residence halls, recieving academic support, priority access to counseling, etc.

If you would like to talk to someone confidentially about what's involved in this process you can contact our Campus Advocate Team at (707) 445-2881
